Higher Secondary, Bhartiya Gyanpeeth School, Ujjain 2021

Percentage 81

SKILLS

Technical Skills Java, HTML, CSS, JavaScript, React.js, Node.js, Tailwind CSS, SQL, DSA.

Soft Skills Communication, Problem-solving, Teamwork, Adaptability.

PROJECTS

- **AutoTodo{VS code extension}** :- A lightweight VS Code extension that automatically creates a todo.txt file the first time a folder is opened, improving developer productivity by providing a built-in task list. Ensures the file is created only once per workspace to avoid redundancy.

Technologies Used: JavaScript, VS Code Extension API

Deployment: VS Code Marketplace

Features: Auto-generates todo.txt on first folder open, one-time creation per workspace, deadline setting and alert system (v0.5.0).

Installs: 14+

Source Code: [\(Try it here\)](#)

Installation: [VS code marketplace](#)

- **Personal Portfolio Website:** A responsive, single-page web portfolio that highlights my frontend development skills with smooth scrolling, light/dark mode toggle, animated typing effects, and developer-themed illustrations. Designed to provide an engaging user experience and showcase my projects and skills effectively.

Technologies Used: React, Tailwind CSS, JavaScript

Design Features: Responsive UI, light/dark mode, animated text effects

Deployment: GitHub Pages

Additional Features: Section-based navigation, smooth scroll, interactive UI

Source Code: [\(Try it here\)](#)

Live Site: [\(Try it here\)](#)

CERTIFICATIONS:

- **TCS iON Communication Course** - Tata Consultancy Services (TCS iON), March 2024.
- **Tailwind CSS Bootcamp Certification** - LetsUpgrade, March 2024.
